WALK *from* OBESITYSM

Prevention, Education, Research & Treatment

Rose Rudman Park, Tyler, TX

In cities across the United States, individuals affected by obesity, along with family and friends of those affected, healthcare professionals and many others will come together and proudly walk to raise awareness of the disease of obesity, childhood obesity and morbid obesity in the Annual *Walk from Obesity*.

The American Society for Metabolic and Bariatric Surgery (ASMBS) Foundation and Obesity Action Coalition's (OAC) *Walk from Obesity* is the only national event that joins together those impacted by obesity.

The Annual *Walk from Obesity* welcomes all types of individuals to participate. Participants include those who have successfully treated their obesity, family members, friends of patients, those who continually struggle with obesity and members of the public who are interested in advancing the cause of fighting obesity.
